RITUALS

RENAISSANCE

Discover our Signature Ritual and escape into a two hour extraordinary journey. Imagine a fresh and floral body scrub to exfoliate and hydrate your skin quite smoothly, followed by a relaxing and soothing complete body massage to release all the tensions and get you into a deep relaxation. Finally, enjoy a moisturizing and revitalising facial treatment. A real rebirth of the body and the spirit.

90 min - 185€

120 min - 225€

SOOTHING

This soothing ritual, begins with our «home-made» Mediterranean scrub prepared with olive oil, honey and sugar followed by a relaxing hot lavender treatment, inspired by the Traditional Thai massage.

Warm herbal pouches filled with locally grown organic lavender and expertly applied to specific areas of the body, to soothe away any aches and pains whilst releasing toxins from the body and strengthening the immune system.

90 min with scrub - 180€

DUO MASSAGE

Unwind and relax in our Private Suite with someone special for a blissful moment of relaxation and escape to the daily routine.

You will be welcomed to a relaxing treatment and share an unforgettable moment together.

AVAILABLE EXCEPT SUMMER SEASON

60 min - 125€ per person

- **A deposit** will be required upon booking your appointment.

Cancellations:

Please call or email the Spa in case of cancellation. Please note that a 100% charge will be incurred for any treatment not cancelled at least 24 hours prior to your scheduled time.

- For any purchased service or gift voucher, no refund can be requested. **A credit note** will be given to you, with **a three-month validity**, to be used on a next service.

- In case of lateness, please note that the treatment will be shortened in order not to disturb the other customers. You will be charged for the entire treatment.

The Spa has the right to cancel the appointment completely, if the delay is considered too long.

- The Spa **advises you to arrive 15 minutes before the start of your treatment.**

- The services provided have **no therapeutic purpose** and because of their nature they are not similar to any manipulation, medical or paramedical practice, or physical therapy.

The only purpose of the treatments is wellness.

- For **pregnant women**, massages are performed **starting from 3 months of pregnancy.**
